

## QUESTIONS TO ASK A RECRUITER

**STUDENTS – PARENTS:** Don't just grab information brochures when you are attending a Post-Secondary information event or Career Fair. Take the time to talk with the Recruiter – they may actually be a current student or a recent graduate from their institution. Think about what YOU ARE INTERESTED IN and ask some of these questions when talking to a post-secondary recruiter.

I Love \_\_\_\_\_ What kind of programs could I take to get involved in that field?

I Want to be \_\_\_\_\_ What educational path will get me there?

- Do you have that / those programs? If not, who does?

I am interested in the \_\_\_\_\_ program. Can you tell me more about what it's like?

- Can I take courses in other things I am interested in at the same time?

What would I need to be admitted to my program of interest?

If I don't have one of the admission requirements, what can I do?

Can I start that program at \_\_\_\_\_, and then transfer to your institution?

I'm not doing well in \_\_\_\_\_ [subject]. Should I be concerned? Do I even need it?

Who do I ask about \_\_\_\_\_?

I do best in a \_\_\_\_\_ classroom. Does your institution/my program of interest have them?

What scholarships and/or other funding options are available for me?

Can I live on campus? If not, where would I live?

I am an athlete in \_\_\_\_\_. Do you have varsity program in that sport?

What kinds of other activities can I get involved in on your campus?

I have learning/physical disability or mental health challenge. Who do I contact for support info?

I don't really know what I want to do after high school. What should I do to help me decide?

**CAN I HAVE YOU CARD?**
